*\*Relocated to Golden Gate C1 from Salon 14 at the Marriott Marquis*

This singular event features researchers, practitioners, and advocates from around the world who collaborate to address the human rights issue of elder abuse. Using a short presentation format, selected attendees will present the major efforts in their country to address the problem. Attendees at the meeting will discuss strategies for fostering collaborative efforts among INPEA members. The meeting will also include multiple opportunities for networking and building working groups to address human rights issues concerning elder abuse, both now and in the future.

*You are Cordially Invited to Join Us at  
The Joint  
INPEA Membership/Board Meeting &  
GSA Abuse, Neglect, and Exploitation  
Interest Group  
Tuesday, July 25 @ 6:00p-7:30 pm in  
Sierra A (the Marriott Marquis)*
