

E-Blast: Ready to Launch!

Welcome to the World Day E-Blast! We are up and ready to launch from Paris on July 5th, 2009. We acknowledge with enormous appreciation the National Institute for the Care of the Elderly (NICE, www.nicenet.ca), its Scientific Director, Dr. Lynn McDonald and its Network Manager, Dr. Anthony Lombardo, for providing our E-Blast domain and website.

On July 5th, we will send out several "blasts" during the day, describing what is happening, and what everyone is saying. You can e-mail us your comments and questions at any time, and we will respond as quickly as possible. We are asking speakers to post abstracts on the WEAAD website below, so you can send questions and comments even before July 5th. Please encourage others to join the dialogue by asking them to send their email addresses to us. If you do not wish to participate, kindly e-mail us and your name will be removed from our list.
